

HOTEL ACCOMMODATIONS Attendees from outside Philadelphia will be provided with reservations cards for the Warwick and Bellevue Stratford hotels on request. Reservations made with either of these hotels should mention attendance at the Colloquium to assure accommodation. Attendees employed by universities and governmental agencies are urged to make their reservations on letterhead, requesting any available discount. The Colloquium Committee cannot handle these matters but recommends that you plan and arrange your accommodations well ahead of the meeting to avoid disappointment and premium rates.

SPONSORS of the Sixth Annual National Information Retrieval Colloquium include the Delaware Valley chapters of the American Society for Information Science and the Association for Computing Machinery, the Moore School of Electrical Engineering of the University of Pennsylvania, the US Army-Frankford Arsenal, the Special Libraries Association Philadelphia Council, the Special Interest Group on Information of Retrieval of ACM, Drexel Institute of Technology Graduate School of Library Science, the College of Physicians, the National Federation of Science Abstracting and Indexing Services, and Biosciences Information Service of Biological Abstracts.
